Renewing a  
license?  
You can  
skip the trip.

Here's a one-time green light. You may *renew a driver license once* by Internet or mail between office visits. You do not have to visit an office if you are renewing or getting a replacement. Note: skip-the-trip is for license renewals with no name change. For online renewal, go to [www.GoRenew.com](http://www.GoRenew.com), and then your next renewal will be in an office, using the new required documentation.
